NIGHT BRIDGE WASHING ON SPAULDING TURNPIKE IN DOVER-NEWINGTON
LANE RESTRICTIONS ON LITTLE BAY BRIDGES FOR TWO NIGHTS

The New Hampshire Department of Transportation announces bridge washing operations are scheduled to take place tonight (June 2, 2004) and tomorrow night (June 3) on the Little Bay Bridges on the Spaulding Turnpike in Dover and Newington.

This bridge washing work will take place between 10:00 PM and 6:00 AM each night, and will require traffic to be restricted to one lane in each direction.

Warning signs and cones will alert motorists and guide them through the work zone. Those traveling on the Spaulding Turnpike in the Dover-Newington area on the nights of June 2 and 3 are urged to drive with caution while crossing the Little Bay Bridges.

In case of inclement weather, work will be postponed until the following evening.
